### **RUN REPORT FROM 25TH RUN - NOVEMBER 28<sup>TH</sup> 2007.**

#### **2<sup>ND</sup> BIRTHDAY CELEBRATION RUN**

A great crowd of hashers, both Angels and Harriettes with all kinds of wobbly bits, turned up to celebrate the 2<sup>nd</sup> birthday of the Cairns Harriettes, the Heavenly Hash. Starting out from the Curry Corner restaurant the trail went out along Sheridan Street, and through Munro Martin Park. We skipped a few blocks and trail followed through the Civic Centre and car park, and on into the mall. Checks and false trails kept the pack together coming out at the lagoon with the drink stop on the deck overlooking the new Cairns beachfront. Trail led down the boardwalk, past Muddies and back to Curry Corner. Circle and charges followed with many visitors helping celebrate the milestone of a 2<sup>nd</sup> birthday. Champagne flowed with delicious Sri Lankan and Indian Nosh. As seen by the photos a great night was had by all - Thanks to the Curry Corner and Cairns Harriettes  
ON ON and Happy Birthday

Lots of charges all round

More charges all round

I took my dad to the mall the other day to buy some new shoes. We decided to grab a bite at the food court. I noticed he was watching a teenager sitting next to him. The teenager had spiked hair in all different colors: green, red, orange, and blue. My dad kept staring at him. The teenager would look and find him staring every time. When the teenager had enough, he sarcastically asked, 'What's the matter old man, never done anything wild n your life?' Knowing my Dad, I quickly swallowed my food so that I would not choke on his response; knowing he would have a good one. And in classic style he did not bat an eye in his response, 'Got drunk once and had sex with a peacock. I was just wondering if you were my son.'

They are Angels from Heavenly Hash & we'd like them to give us a flash,  
 They're obviously pissed, cos their halo's have slipped,  
 So some people might think they're trash. Drink it down down .....

MARY had a little lamb, her father shot it dead.  
 Now it goes to school with her, between two hunks  
 of bread.

MARY had a little pig, she kept it fat and  
 plastered; And when the price of pork went up,  
 she shot the little bastard.
